BRISBANE HAS GAINED SOME MORE BAD PUBLICITY
--BUT THIS TIME IT IS DESERVED!

(The following three items are reprinted from THE SAN MATEO TIMES of Monday, July 3rd. We are reprinting exactly as they appeared in the TIMES.)

FIRECRACKER CAUSE OF BROKEN NOSE--

Redwood City, July 3--Richard Robinson, 21, of 105 Mariposa Street, Brisbane, was treated in South San Francisco hospital yesterday afternoon for a broken nose suffered when he got into a fight with another man after the latter had tossed firecrackers at Robinson's wife, Geraldine, an expectant mother, in Brisbane. In the ensuing melee Robinson came out second best. To sheriff's officers he identified the other man as Larry L. Jenkins of Brisbane. No arrest was made. (end of item.)

Editor's note: According to our understanding, the fight between Robinson and Jenkins happened Sunday night--and that Robinson is in a much worse condition than the above article states. We also understand that Jenkins did not throw the firecracker which started the altercation.

BRISBANE MAN SAYS KNIFED BY WIFE--

Redwood City, July 3--Fifty-two year old Floyd F. Pitcher of 8 Joy Avenue, Brisbane, was recovering today from stab wounds in his left forearm and left hip, inflicted, he claims, by his wife, Margaret Pitcher, during an altercation at the family home last night, according to the sheriff's office. He said he was returning to the home with some bottles to mix paint when he was assaulted. He was treated at South San Francisco hospital, and Mrs. Pitcher was jailed on a charge of assault with a deadly weapon. (end of item)

Editor's note: In regards the above item, we have heard so many different and conflicting stories that we do not dare voice an opinion. We do know that the Pitchers are comparatively new residents here, having rented the Melvin Lowe property in Brisbane Acres some two months ago. We also heard that Mr. Pitcher's condition was much worse than indicated by the above item.

WOMAN VICTIM IN SINGLE S.M. HOLIDAY DEATH--

Redwood City, July 3--San Mateo County's traffic accident toll today stood at one dead and eight injured.

A Brisbane housewife, Mrs. Annette Bailey, 39, of 3448 Bayshore highway, was instantly killed early Sunday when she ran into the path of an automobile driven by Tobias J. Villarreal, 19 year old printer

of 106 Excelsior Avenue, San Francisco, on the Bayshore a few hundred feet north of San Bruno Avenue in Brisbane.

Mrs. Bailey, wife of William Bailey, a lock manufacturing company employee, was pronounced dead at South San Francisco hospital of a broken neck, skull fracture and multiple internal injuries.

Witnesses told state highway patrolmen that the young woman dashed from the west side of the highway into traffic. Villarreal, driving north, swerved over the center line in an effort to avoid her. He was not held.

Mrs. Bailey was the county's twenty-sixth traffic victim. In addition to her husband, she is survived by her father, Pierre Tremblay of Canada, and two sisters, Mrs. Mary Loisel of Detroit, Michigan, and Mrs. Edna Lyons of Canada. Funeral services will be held from the W. L. Cook mortuary in South San Francisco on Wednesday at 10 A.M., followed by interment in Olivet Memorial Park, Colma. (end of item.)

OUT OF TOWN VISITORS:

Mr. and Mrs. Fred Daniels and sons, of Breckenridge, Texas, and Mr. Jimmie Moore of Electra, Texas, were guests of the Bob McCollums this past week. The McCollums live at #43 Gladys Street, Brisbane, Acres.

SENIOR GIRL SCOUTS TO GO CAMPING:

The Senior Girl Scout Troop #4, sponsored by the American Legion Auxiliary Unit #473, accompanied by Mrs. Byron Jensen, Councillor; Kay Stewart, Assistant Councillor, Committee-members Mr. and Mrs. Dick Fasset, and Mrs. Wilma Shultz--will go on a week-end camping trip to Portola Park this weekend.

"SWEET-STOP" CHANGES HANDS:

Wayne and Nina Davis, who will be remembered here as former owners of the Sweet-Stop at 163 Visitacion Avenue, have returned to Brisbane, and are now open again for business at the same address under the new name of "THE RED TOP CAFE".

SISTER VISITS LOCAL RESIDENT:

Visiting Mr. and Mrs. Floyd Emerson of 482 Mendocino are Mrs. Emerson's sister and husband, Mr. and Mrs. Robert Pope, recently married in Reno. Mr. Pope is with the U.S. Navy, stationed at Hunter's Point. Mr. and Mrs. Pope will be here at Brisbane for the next few weeks.

ALL TOGETHER NOW--IN UNISON: "THANK GOODNESS, THE FOURTH IS OVER!!"

HIGHLIGHTS OF THE CUB PACK MEETING--

The June cub pack meeting was held at the schoolhouse on Friday evening, June 30th, and came to order at approximately 8:30, with cubmaster Mayo Hogue presiding, ably assisted by Bud Soward, Ass't. cubmaster. Jimmy Bratton led in the salute to the flag, with assembled cubs, cub mothers, committee members, and parents participating. After the salute to the flag, the following cubs received awards:

Dean Sowers, Wolf gold and silver arrows; James Gallian, Wolf badge and gold arrow; Robert Goff, Wolf gold arrow; Leon Reece, Wolf gold and silver arrow; Jim Stass, Wolf silver arrow; Anthony Casadido, Wolf silver arrow.

Harold Manley, Bear gold arrow, 2 silver arrows, and Denner's bars; Derryl Thrasher, Bear silver arrow.

Danny Peterson, Lion badge; Raymond Diaz, Lion Badge and Webelos; Dickie Fudge, Lion silver arrows (2).

Reynold Varney, Assistant Denner's bars.

Raymond Diaz, and James Bratton each received their webelos, graduation certificates and scout handbooks, and were welcomed into the Scout troop #134 by Ray Brown, officiating for Jack Grabovsky, who was still at camp Royaneh with a group of local scouts.

Mayo Hogue explained the age groups of the various ranks, such as Wolf cubs, Bear cubs, and Lion cubs--stating that the age of the boy when joining the cub pack determined which group the boy would be taken in to.

Honor Den banner was presented to Den 3 for September to May perfect attendance. Den mother for Den 3 is Mrs. Johnson.

After regular course of business was over, a game was played with all cubs participating. The object of the game was to "break the other fellow's balloon"--said balloon being tied to the ankles of the cubs. After much shin-kicking and balloon popping, the cubs insisted on the parents going thru the same form of torture. Stowe Webber Jr. came out top winner, if you can call numerous bruises and one unburst balloon "winner".

Den 7 presented a skit--entitled "Hawaiin Wedding", in which three cubs were made into quite presentable "Hula" dancers.

At the close of the evening refreshments were served.

CONGRATULATIONS BRISBANE A.C.'s

TO THE EDITOR:

The Brisbane A.C.'s stayed on top of the South Peninsula League with a 2 to 0 shutout over Woodside last Sunday, at Flood Park.

Pitcher Don Delbon got himself another big no-hit, no-run game. Don got 10 strike-outs while issuing but two walks for his third no-hit, no-run game of the year. His control was wonderful as he was hitting the corners, inside and outside, all day--with his well breaking curve ball. This is quite an accomplishment--because as stated before, Don is two and one half years younger than all the rest of the league pitchers. He leads the league in strike-outs with 68 to his credit while giving up but 19 walks during the league season.

Delbon got good support from his team-mates, as they played some good defensive ball, including a beautiful double play by Larry Blanchard, unassisted. Larry is by far the most improved hustler on the team. He has really been putting out and this is what is going to put Larry on top some day.

Hank Schmidt was the big stickler of the day with two for three when they were really needed. Mansel Roland got the only extra base hit of the day, which was a long double in the second inning.

The A.C.'s, although not playing their best possible game, came up with a well-deserved victory. This "win" puts Brisbane A.C.'s and Church of Nativity in a league lead tie. The one-game playoff (quick death) will be played Sunday, July 9th, at a field to be decided on later.

Brisbane needs all the possible support it can get, so LET'S HAVE SOME REAL SUPPORT FOR THE KIDS---You will not only help us, folks--but you will enjoy a REAL BALL GAME!!---Thanking you,

AS FIRECHIEF OF BRISBANE, I WOULD LIKE TO TAKE THIS OPPORTUNITY TO THANK THE PEOPLE AND YOUNGSTERS OF THIS TOWN FOR THEIR WHOLE-HEARTED COOPERATION OVER THE FOURTH OF JULY HOLIDAYS. THERE WERE NO FIRES, AND NO INJURIES. THIS IS A RECORD OF WHICH WE CAN BE PROUD. ALTHOUGH SOME OF THE KIDS DID SET OFF FIRECRACKERS ON OUR CITY STREETS, THEY WERE CAREFUL AROUND THE VACANT LOTS FILLED WITH TALL AND DRY GRASS AND AROUND THE RESIDENCES. THANKS, KIDS.

Last month was a busy month--with 35 alarms turned in, 13 of which were ambulance calls. The danger season is still with us, however, so we must still ask for your cooperation--not only for our sake, but for your own. The same rules still apply--NO OPEN FIRES. BE SURE YOUR CONTAINERS ARE COMPLETELY OUT BY 1 EACH AFTERNOON. HAVE YOUR GARDEN HOSE HOOKED UP TO AN OUTSIDE FAUCET BOTH DAY AND NIGHT. NO CONTAINER FIRES WITHOUT A PERMIT. You may call fire marshall R. Seiss, either at the firehouse, or at Juniper 4-6736. THANKS AGAIN FOR YOUR COOPERATION.

---Firechief LOU TERRY.

## LETTER TO THE EDITOR:

My dear Mrs. Reece: Thank you, ma'am, for the many nice things you have said in your paper about our "Glee Club" and coming Minstrel Show.

The cooperation extended both Mrs. Duncan and myself by the members of our Glee Club has been most gratifying, and I dare say that in a very short time we will be able to report that our roster has reached fifty voices, but the most encouraging thing is; that several people, although unable to sing, has sent us music of their favorite songs for us to sing. Of course, we are most grateful for this, and we most certainly will try to arrange their favorite songs so that they can be sung by our Glee Club.

Our minstrel show--which we hope to present in the latter part of September--will have a cast of sixty people, including the Glee Club, our dancing chorus, and specialty acts. Thanks again for all the compliments. Sincerely,

(signed)--FRANK M. KING.

Editor's note: Thank you, Frankie, for the above letter. We sincerely believe that what you are undertaking is good for the town, or we would not be so enthusiastic about it. We always have maintained that there is more than enough talent right here in Brisbane to put on a dozen such

shows, and that all we needed was someone like you to step forward and put the "thought" in action. "Hidden" talent is okay, if one is a normal, stodgy sort of person---but most people with talent are not stodgy people, and the more that talent is hidden--the more frustrated and angry the talented person becomes. We all thank you for the opportunity to get some of that hidden talent off our chests. We also believe that what you have started will not stop with the minstrel show---that you will find more and more talent right here in our own small town, and it will take someone like you to "bring it out" where it will do the most good. MAESTRO King! I know you are very happy with the response you have received to this thing---and I believe you will be surprised with the ovation you will receive when it finally reaches the public. KEEP UP THE GOOD WORK---and we won't let you down!---The editor and staff of the
